

A scenic view of a mountain valley with a rainbow in the sky. The foreground shows green trees and a rocky outcrop. The middle ground features a valley with a small town and rolling hills. The background consists of distant, hazy mountain ranges under a blue sky with a vibrant rainbow on the right side.

What we can do to help

We will arrange everything, so you can focus on remembering your child in the right way for you. You will have the option to personalise your service and we offer additional support to help you do so.

When your child is in our care, every step will be taken to ensure a caring and professional service is provided.

As part of our complimentary service, we will:

- Support you with all of the funeral service arrangements
- Offer you the choice of a hearse or limousine
- Provide you with 20 complimentary service sheets from our selection
- Offer you the choice of a white, pink or blue coffin

We can also help you with:

- A memory box, which can act as a special place to store keepsakes such as photos, letters, cards and toys, or any other personal mementos
- Deciding what you would like your child to be dressed in, whether it's a favourite outfit or something special
- Considering what you would like to place with your child, such as photos, letters and toys. We are on hand to advise you if you are unsure
- Creating a themed service. For example, it could be based on your child's favourite film, a TV character, place or hobby
- Getting a lock of hair or a hand or foot impression as a keepsake
- Organising a limousine for a baby instead of a hearse. This gives you the opportunity to travel with your child
- Including personal touches in our colleagues' uniforms, such as colourful ties

We pledge to help, support and guide you in making the arrangements that are right for you. Our colleagues will help you every step of the way with decision making and answer any questions you might have.

We promise to support you in every way we can.
